

**GUEST LECTURER or GUEST PROFESSOR FOR TEACHING HUMAN PHYSIOLOGY (m/f/d)**

Limited to 12 months, 40 hours/week, part-time possible, location: Salzburg, Austria

The Paracelsus Medical University Salzburg offers a high profile degree program in medicine. The Institute of Physiology and Pathophysiology is responsible for the curricular teaching in the subject area of physiology. The course "Clinical Physiology and Pathophysiology of Organ Systems" (27 ECTS) runs in the second year of study.

At the beginning of the academic year 2023/2024, the current Diploma course will be converted to the Bologna Bachelor-Master format.

Due to this change and because the old course will run in parallel for one year, our team is currently looking for a person with expertise in human physiology and an interest in teaching.

The new colleague should be in post not later than September 1st, 2023. The position is limited to one year. The working time is 40 hours/week. Applications by interested persons, who would like to work part-time, are also welcome.
